Henry Miller

Henry Miller

Henry Miller was a man of remarkable courage and energy. The first Secretary of our Brotherhood J.T. Kelly, said of him, “No man could have done more for our union in it’s first years than he did.”

DEADLINE FOR ACTION (1946)

The left-wing labor unions made this historically priceless film in 1946 that openly and earnestly criticizes big businesses and their growing power to influence over government immediately following World War Two. This film is amazing because the labor unions have actually weakened dramatically since this film was made.
