Cleared bargaining unit employees must be a member of Local 292/110/343 or reciprocity applies. Apprentices are not a part of this agreement. Copies of payroll reports must be made available to each local upon request. The intent of this procedure is not to lay-off in one local and hire in another.

Two (2) violations of this procedure in a one- (1) year period of time will nullify the 292 procedure for that contractor and the national procedure with reciprocity and in-person clearance will apply.
