

The East Side Freedom Library invites you to a special Give to the Max Day event

# *UnMapping Saint Paul!*

*Thursday, November 19th at 7PM*  
*Live on ESFL's Facebook page*

A fun, head-to-head match about our city! Who really knows the most about the city we call home? Let's find out!

The East Side Freedom Library houses tens of thousands of books and other items, but we know so much more information is gathered by those whose business is knowing every nook and cranny of our hometown.

This November 19 at 7:00pm, in celebration of Give to the Max Day and in support of the East Side Freedom Library and NeighborWorks Home Partners, join us online for a match up of two teams in a Quiz Bowl format. On one side, Saint Paul realtors – the housing pros who get to know our neighborhoods each day. On the other side, former Saint Paul politicians – folks who have known our neighborhoods more deeply than any of us has the time!

Join us on Facebook live to watch the fun, and pick your team when you register! Your contribution is your vote for which team will earn the most points! Realtors or Electeds? Pols or Brokers? Tell us who you think will win!

**Donate & RSVP**
